Click-It or Ticket Kick-Off Event

Tiffin, OH - In 2015, the use of seatbelts saved an estimated 13,941 lives of passengers ages 5 and older. Many Americans understand the lifesaving value of the seatbelt, but nearly 27.5 million still do not buckle up. Seneca County Safe Communities encourages residents to drive safe by always wearing their seatbelt.

Seneca County Safe Communities will host a Click It or Ticket Kick-Off event on Saturday, May 20, 2017 from 9 a.m. to 12 p.m. at Tiffin Reineke Ford Dealership. The event is free and open to the public.

The event will include local law enforcement, K-9 Unit, car seat checks by the Tiffin Fire Department, missing child I.D. kits, Ford vehicle safety demonstrations, children's bicycle rodeo game, and a raffle. There will also be donuts and a cookout provided by Reineke Dealership.

Seneca County Safe Communities strives to raise awareness within the community. Spreading the importance of seatbelt safety may reduce statistics and save lives. Seneca County Safe Communities encourages everyone to always wear their seatbelt. Remember to buckle up, every trip, every time.

"We're excited to host this important event in our community," said Mircea Handru, Executive Director of the Mental Health and Recovery Services Board of Seneca, Sandusky and Wyandot Counties. "We want to keep our community members safe and make sure they're doing the one thing that can save them in a crash: buckling up. We hope to raise awareness and make a difference by promoting seatbelt usage."
