

Scare Tactics and the Importance of Positive Prevention Practices

Presenter: Krysta Bennett, Program Director of Prevention Action Alliance

The Sandusky County Health Department and Prevention Partnership Coalition will be hosting a session for local professionals and community members who would like to learn more about the ineffectiveness of scare tactics in substance abuse prevention strategies and how to effectively implement positive prevention practices.

Friday, May 11, 2018

9:00am- 12:00pm

Registration: 8:30am
