WORKING PARTNERS®

A leader in Ohio's drug-free workplace education, will present "Yes. No. Maybe? Medical Marijuana & Your Drug-Free Workplace Program" to local employers to discuss how to respond to medical marijuana before the system to recommend and dispense it is fully operational on September 8, 2018.

The content of the presentation is meant for informational purposes only and not for the purpose of providing legal advice. As such, it should not be used as a substitute for consultation with a legal professional or other competent advisors. Please contact a licensed attorney to obtain advice with respect to any legal issue discussed in this presentation or regarding a situation specific to your business.

OBJECTIVES

- Raise awareness of business and operational issues from legalization under Ohio H.B. 523.
- Increase understanding of the related drug-free workplace program issues for employers and employees.
- Review key decisions relating to policy, operations and employee/supervisor awareness.
