The Mental Health and Recovery Services Board of Seneca, Sandusky and Wyandot Counties joins others throughout the State of Ohio to show appreciation to first responders and front-line workers. ADAMH Boards throughout the State would like to recognize and show appreciation to those individuals who give tirelessly to individuals and communities during times of need. To show appreciation for the work they do on a daily basis.

The message of “Bringing Help. Bringing Hope. Thank You” week of appreciation April 29 through May 5, 2019 is allowing local leaders to demonstrate their gratitude to all of the individuals on the front lines who are working to eradicate the scourge of drugs, and help individuals coping with addiction recovery every day.

The Mental Health and Recovery Services Board encourages citizens of Seneca, Sandusky and Wyandot Counties to find a way to show gratitude to their local first responders during this week. Please join me in expressing our thanks and gratitude to these individuals who spend their days helping to save lives.
