SERVING WOUNDED STUDENTS & FAMILIES DURING A PANDEMIC

In 2006, Dr. Hendershott co-founded Hope 4 The Wounded, LLC, with his wife Dardi. He is a sought-after speaker and conducts professional development across the nation about the effects of trauma on learning and behavior & SEL strategies. Joe has authored two books, *Reaching the Wounded Student* and *7 Ways to Transform the Lives of Wounded Students* and co-authored *Supporting the Wounded Educator: A Trauma-Sensitive Approach to Self-Care* with Dardi. Joe has 30+ years in education, so his practitioner-based model is grounded in experience and backed by research. As adoptive parents, Joe & Dardi are passionate about overall wellness for children & professionals alike.
