Ottawa County Family & Children First Council is excited to offer Youth Mental Health First Aid for anyone who works with youth ages 12-18. The training is offered by the Ohio Mental Health & Addiction Services and is open to the first 30 participants. If there is more interest, we can schedule a second training. Those signed up will receive a link one week before training to complete some pretraining that will take 1.5-2 hours. After completion a link will be sent for the training on May 12.
